Pan-American Youth Summit in August 2024 in Canada - In August 2024, Chief Apostle Schneider is coming to Canada for a youth weekend. Youth and young adults from Canada, the USA, Argentina, Australia, and Germany have been invited. Navigating the increasingly complex logistics of international travel, particularly with minors, presents unique challenges. As a result, NAC-USA will not be coordinating travel or group arrangements for this year's Pan-American Youth Summit in Canada. Young adults are welcome to attend on their own. Additional information, including registration information and FAQs (frequently asked questions) is available at <https://www.nac-usa.org/en/shine>. Participants will be responsible for their travel arrangements and costs. Additionally, the registration fee for USA participants is \$299.
